ETHOS SUPPLY GROUP

Law Enforcement & First Responder PPE | Tactical Equipment

CAPABILITY STATEMENT

Veteran-Owned Small Business
SDVOSB certification pending

Ethos Supply Group LLC is a veteran-owned supplier and distributor of personal protective equipment and tactical gear for federal, state, and local law enforcement, fire, and first responder agencies. Founded by a U.S. Army combat veteran of the 82nd Airborne Division, we deliver mission-ready equipment with the accountability, precision, and responsiveness expected of those who wear it.

CORE COMPETENCIES

- **Body Armor —** sourcing of NIJ-standard ballistic vests, plates, and carriers
- **Firefighter Gear —** turnout/structural protective gear and fire-ground equipment
- **Protective Gloves —** duty, tactical, cut-resistant, and firefighting gloves
- **Duty & Tactical Boots —** patrol, tactical, and station footwear
- **Uniforms —** duty uniforms, outerwear, and special-purpose clothing
- **Tactical Gear & Individual Equipment —** duty belts, holsters, packs, load-bearing and accessory equipment

DIFFERENTIATORS

- **Combat Veteran Leadership —** owner served with the U.S. Army 82nd Airborne Division and knows the gear firsthand: fit, function, and failure points.
- **Compliance-Focused Sourcing —** able to source products meeting NIJ armor standards and Berry Amendment / Buy American compliant options where required.
- **Responsive Small-Business Service —** direct access to the owner, fast quoting, and accountable follow-through from order to delivery.
- **Trusted Community Reach —** established Instagram and YouTube audience among veterans and law enforcement, keeping us close to end-user needs and feedback.

PAST PERFORMANCE

Ready to Serve. Ethos Supply Group is a new entrant to federal contracting, commercially ready to quote, source, and deliver. We welcome micro-purchases, simplified acquisitions, and subcontracting/teaming opportunities with prime contractors.

WHO WE SERVE

Federal contracting officers • DLA • DHS • DOJ • State and local police and fire departments • Prime contractors
